N-R-G-FLOR+®  
In Floor Cellular Raceway System

In 2014 Cordeck furnished the N-R-G Flor® In Floor Cellular Raceway System at the Oaklawn Racing Casino Resort. In 2019 the owners decided to expand their gaming floor by 28,000 square feet.

Again, our N-R-G Flor® In Floor Cellular Raceway System, was the optimum solution by providing structural steel decking & wire management within one economical system.

Cordeck's In Floor System provides flexible gaming & furniture layouts for the life of the building, while providing maximum security to confidential data.

Our Innovative In Floor Cellular Raceway is an In-Slab Wire Management System That Delivers Power and Data Where You Need it
