General Contractor:

The Weitz Co.
Des Moines, IA

Cordeck System:

N-R-G-FLOR+®
In Floor Cellular Raceway System

The Prairie Meadows Casino chose our N-R-G-FLOR+® System to accommodate all power and data fed from below, in conjunction with low volume fresh air throughout the space. This system utilizes a custom trench in the theater which requires quick turnaround for different venues.

“Cordeck’s In Floor Cellular Raceway System helped stretch the limits of comfort and flexibility for the Prairie Meadows Racetrack & Casino on their recent expansion project. Our In Floor Cellular Raceway System was utilized to provide maximum power and data flexibility as well as improving indoor air quality.

Our Innovative In Floor Cellular Raceway is an In-Slab Wire Management System That Delivers Power and Data Where You Need it
