**Cordeck System:**

N-R-G-FLOR+<sup>®</sup>  
In Floor Cellular Raceway System

The new Rite-Hite headquarters in Milwaukee, WI is a new four story office building with three structures spanning 159,308 square foot, with 108,522 square foot, two-story office building being used for research and development.

Our N-R-G-FLOR+<sup>®</sup> In Floor Cellular Raceway System was chosen for this four-story project because of the flexibility, efficiency, and simplified installation. Rite-Hite will have the ability to grow with our system, as they grow, for years to come.

Our Innovative In Floor Cellular Raceway is an In-Slab Wire Management System That Delivers Power and Data Where You Need it
